

Registered Behavior Technician (RBT)

ABC Behavior Therapy, LLC (ABC) is a child and family-centered ABA agency seeking Board Certified Assistant Behavior Analyst (BCaBA) to join our team in the Bartlett/Cordova Area! Are you looking to work in an established agency with a relaxed environment? Are you sincerely wanting to make a difference in the lives of families diagnosed on the Autism Spectrum? If so, come join our rapidly growing team!

Duties and Responsibilities:

- Use creativity to teach individuals with disabilities
- Language Development with non-verbal individuals
- Provide direct behavioral services to clients in individual and group sessions
- Run skill acquisition programs with clients using Applied Behavior Analysis and Verbal Behavior Analysis
- Complete weekly program writing and maintain client's program book
- Work with Board Certified Behavior Analysts and/or Board Certified Assistant Behavior Analysts to implement individualized treatment plans
- Collect data and graph data as instructed using technological programs, such as Microsoft Excel and/or any other software utilized by the company once trained.
- Maintain respect and confidentiality for all clients
- Maintain professional and technical knowledge by attending educational workshops; reviewing professional publications; establishing personal networks; participating in professional societies
- Maintain and protect the well-being of all clients during treatment sessions and when emergency crisis situations arise

Job Qualifications:

- Active RBT certification
- Minimum of 0-1 year experience in designing and supervising evidence-based treatment for children with developmental disabilities, autism, and/or challenging behaviors
- Experience with VB-MAPP and electronic data collection
- Ability to conduct Functional Behavior Assessments
- Collaborative approach to working with families, therapists and other professionals
- Strong written and verbal skills

If interested, please send your resume or CV to abcbehaviortherapy@gmail.com.
