

Board Certified Assistant Behavior Analysis (BCaBA)

ABC Behavior Therapy, LLC (ABC) is a child and family-centered ABA agency seeking Board Certified Assistant Behavior Analyst (BCaBA) to join our team in the Bartlett/Cordova Area! Are you looking to work in an established agency with a relaxed environment? Are you sincerely wanting to make a difference in the lives of families diagnosed on the Autism Spectrum? If so, come join our rapidly growing team!

Duties and Responsibilities:

- The Board Certified Assistant Behavior Analyst works closely under the supervision of a Board Certified Behavior Analyst (BCBA)
- Assist the BCBA in completing assessments and developing Treatment Programs
- Collect and analyze data and make changes to Behavior Intervention Plan as needed
- Conduct Functional Behavior Assessments (FBA) including VB-Mapp, PEEK, Vineland-III, etc..
- Monitor and record patient progress
- Complete reports detailing the progress of an ABA program
- Monitor the need for patient reassessment or referral
- Discontinue any treatment procedure that appears harmful to the patient and immediately notify the supervising BCBA
- Assist with reliability/treatment fidelity of Behavior Intervention Plans

BCaBA Qualifications:

- Active BCaBA certification
- Minimum of 1 year experience in designing and supervising evidence-based treatment for children with developmental disabilities, autism, and/or challenging behaviors
- Experience with VB-MAPP and electronic data collection
- Ability to conduct Functional Behavior Assessments
- Collaborative approach to working with families, therapists and other professionals
- Strong written and verbal skills

If interested, please send your resume or CV to abcbehaviortherapy@gmail.com.
